Andy Hicks being quite well known in Yale and vicinity we publish the following clipping taken from the Richmond Review:—"Andy Hicks' company of players which left Mt. 'The Country Kid' seems to have a lot of vitality."

At eight o'clock Tuesday morning the big boarding house on Upper street at the corner owned by Herman Michaels was discovered on fire. Many of the boarders were in bed at the time and had much difficulty in getting out their clothing and belongings. The fire started near the chimney and spread rapidly. About one-half of the furniture was taken out, but the building was entirely destroyed. The building was owned by Mr. Michaels and was partially insured. His loss will amount to about \$2,000. Mr. Michaels is well known in this neighborhood and his friends regret to learn of his loss.

Every housekeeper should know that if they will buy Defiance Cold Water Starch for laundry use they will save not only time, because it never sticks to the iron, but because each package contains 16 oz.—one full pound—while all other Cold Water Starches are put up in 7-pound packages, and the price is the same, 10 cents. Then again because Defiance Starch is free from all injurious chemicals. If your grocer tries to sell you a 12 oz. package it is because he has a stock on hand which he wishes to dispose of before he puts in Defiance. He knows that Defiance Starch has printed on every package in large letters and figures "16 oz." Demand Defiance and save much time and money and the annoyance of the iron sticking. Defiance never sticks.
